Annex B — Market-specific requirements

Positions below were confirmed with the respective local regulators and are current as at March 2026. Markets are shown by internal market code.

Market	Remote identification	Activation	Local identifier
MA	Permitted	Remote	Personal Number — 13 digits
MB	Permitted	Remote	Personal Number — 13 digits
MC	Permitted	Remote	Unified Citizen ID — 9 characters, alphanumeric, letter in position 9
MD	Permitted for the application stage only	Applicant must attend a branch in person. Wet signature required before the account may be activated.	Citizen Number — 10 digits
ME	Permitted	Remote	Civil Number — 10 digits; check digit algorithm differs from MA/MB
MF	Permitted	Remote	Personal Number — not issued to non-citizen residents. Passport number accepted in lieu.

Notes

1. An exemption request in respect of the MD activation requirement was submitted in 2024 and remains outstanding. No relief should be assumed.
2. Identifier formats are given for validation purposes only and must not be used as a primary key for customer records.
3. Where a market is added after launch, this annex must be reissued before that market goes live.
